

## **Welcome to the Moonlodge on Burton Hill Open to all people for rest and renewal**

### **Moonlodge Rhythms:**

Be at home in this round sacred space, nestled in nature, devoted to the divine feminine. Please leave shoes on the rack at the door (bring slippers in cold weather). Write your name/date in the black notebook in the desk drawer and any thoughts/ poem/drawing you are inspired to share.

Be in touch to get demo on lighting the propane heating stove – it's easy.

There's no electricity so bring a flashlight at night. There are a few little battery lights there. **Candles only in votives, please.**

Cozy wraps are in the cupboard.

Broom and dustpan are beside the cupboard as well as the hook to open the dome for ventilation. Please take care opening/shutting the dome. Read the instructions on the hook. When closing, don't over tighten!

Hearth Jar donations are appreciated to help maintain the space. The Hearth Jar is on a cupboard shelf.

### **Monthly Open Circle:**
